All Floorplans are Subject to Change

Per the LVCC Building Users Manual (p. 39), "The travel distance within the exhibit booth or exhibit enclosure to an exit access aisle shall not exceed 50 feet. (2003 NFPA 101, 13.7.4.3.2)." If this is a consideration in the design of an exhibit structure or interior layout, exhibitors should submit exhibit plans via e-mail (boothplans@lvcva.com) to the LVCVA Fire Prevention Office for approval. Where required, fire aisles are also indicated on this floor plan to facilitate the review of the overall floor plan by the LVCVA Fire Prevention Office.
